

UNIVERSAL TALENT ASSESSMENT ORGANIZATION (UTAO)

Vision, Core Pillars & Academic Portfolio

Identifying, nurturing, and rewarding the next generation of global problem solvers.

THE THREE CORE PILLARS

1. Identify

Spotting academic prodigies at an early stage.

2. Nurture

Developing logical reasoning and conceptual metrics.

3. Reward

Providing national exposure and competitive benchmarking.

THE OLYMPIAD ACADEMIC PORTFOLIO (CLASSES I TO X)

** Extendable up to Class XII upon specific school request. Subject availability varies by grade level.*

Mathematics Olympiad

Advanced numerical problem solving, quantitative frameworks, and structural logic metrics.

English Olympiad

Linguistic rigor, advanced comprehension metrics, contextual vocabulary, and syntactical logic.

Science Olympiad

Testing conceptual applications across physics, chemistry, biology, and experimental reasoning.

General Knowledge (GK) Olympiad

Global dynamics, current scientific breakthroughs, foundational history, and contemporary awareness.

Curriculum Alignment & Assessment Anatomy

Evaluating universal parameters robustly mapped across global learning frameworks.

GLOBAL CURRICULA MAPPING MATRIX

Curricula	Conceptual Understanding	Application-Based	Logical Reasoning	HOTS
CBSE / ICSE / State Boards	✓	✓	✓	✓
IB / IGCSE Frameworks	✓	✓	✓	✓

ANATOMY OF THE ASSESSMENT

Duration	60 Minutes
Format	Offline Multiple Choice (MCQs)
Language	English Medium
Rigor	Moderate to High (Grade-appropriate)
Evaluation	Automated optical results within 5-6 weeks.

THE TWO-TIER SYSTEM

Level 1 - In-School Examination

Open to all registered students. Hosted on participating school premises to discover foundational metrics.

Level 2 - National Competition

Exclusively for elite scorers from Level 1. Administered at designated high-security centers.

Strategic Advantages, Rewards & Economics

Empowering student standard profiles while driving metrics for institutional elevation.

THE DUAL ADVANTAGE

Student Benefits: Builds cognitive confidence, analytical logic, and premium national competitive exposure.

School Benefits: Fosters academic meritocracy, raises brand repute, and sets national benchmarks.

REWARDS & RECOGNITION

For Students: Gold/Silver/Bronze Medals, Trophies, Scholarships, and Certificates.

For Institutions: Best Performing School Awards, Coordinator honorariums, and leadership accolades.

TRANSPARENT FINANCIAL STRUCTURE

Schools in India

₹175 / student

- ₹125 to UTAO: Core logistics & GST.
- ₹50 Retained by School: Local administrative fees.

Schools Outside India

\$12 USD / student

- \$9 USD to UTAO: Operational logistics.
- \$3 USD Retained by School: Local exam conduct.

Deployment Workflows & Communication Channels

Operational frameworks and core milestones guaranteeing successful partnership parameters.

FRictionLESS OPERATIONAL WORKFLOW

- Step 1: Registration** — Formalize institutional partnership.
- Step 2: Enrollment** — Distribute digital/physical registration profiles.
- Step 3: Briefing** — UTAO delivers finalized deployment manuals.
- Step 4: Execution** — School hosts secure 60-minute examination.

2026-2027 STRATEGIC SCHEDULE

Registration Deadline: 30th July 2026

- **GK (Level 1):** 25th Sept 2026 / 28th Oct 2026
- **English (Level 1):** 30th Sept 2026 / 29th Oct 2026
- **Science (Level 1):** 26th Nov 2026 / 10th Dec 2026
- **Math (Level 1):** 27th Nov 2026 / 11th Dec 2026
